Subject: Deficient Notice of Intention to Commence Small Mining Operations, Emery Minerals LLC
Clark 1/Emeride Mine, S/015/0053, Emery County, Utah

Dear Ms. Clark:

The Division of Oil, Gas and Mining has reviewed the referenced Notice of Intention to Commence Small Mining Operations (NOI), and the following items will need to be addressed before the NOI can be determined complete:

1. In Section I items 5 and 6 (page 3), SITLA is listed as the surface and mineral owner. At this site the surface and mineral owner is the BLM. SITLA is the surface and mineral owner for your other operation, Number 1 Clark Mine/Emeride, file number S/015/0074. A copy of the original Notice with the BLM is included.
2. Please include a map showing the location of the operation. Enclosed are a USGS topographic map and some Google Earth images which may be used to show the location.

Please provide your response as replacement pages for the original NOI, using Form MR-REV-SMO/EXP, available on the Division's web page at www.ogm.utah.gov.

While not required for the Division to approve the NOI, you should contact the BLM concerning the Notice. The contact person is Michael Glasson, 435 636-3651, or mglasson@blm.gov.

Please call Wayne Western at 801-538-5263 or me at 801-538-5261 if you have questions regarding this letter. In reply, please refer to file number S/015/0053. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager\
